

# Ian Dennis Charity Match

## Friday, 29 April 2022

Our Club is once again delighted to be hosting the **Ian Dennis Charity Match** at our home ground Kingfisher Reserve this Friday night (**29 April 2022**) with all members, friends and supporters very welcome to get along and enjoy the evening.

This annual “Liverpool vs the World” friendly match is held in honour of our friend Ian Dennis who sadly lost his battle with leukaemia last year. All donations & proceeds raised will be donated to a ‘local family in need’ that has been nominated by Ian’s friends, so any and all support received on the night will help support a very worthy cause.

As well as the friendly match, there will be plenty of other family friendly activities, food & drink on offer to keep everyone entertained.

**Family friendly event**

**Clubroom bar open from 4:00pm**

**Bouncy castle, drawing corner and face painting for the kids from 4:00pm**

**Match kicks-off at 6:00pm**

**Food available until 8:00pm**

**Presentations at 8:30pm**

**Raffles to follow at 9:00pm with fantastic prizes to be won ... so bring lots of gold coins**

Please feel welcome to come along for some or all of this very worthwhile event and help make this an evening that Ian and his family would be proud of.

David Shephard

President
