## President's Report

G'day Everyone

It doesn't seem that long ago that I was welcoming everyone to the new season, and now, after another full-on season, we can all draw breath and look forward to some quieter weekends (which may even include some sleep-ins) now that the winter season has come to a close.

Our calendar for the season just gone was a full-on busy one, with 30 teams turning out to represent the Club in 2026 (made up by 6 senior teams, 8 Junior teams, and 16 Miniroos teams), complemented by the usual bevy of social and Club events along the way. A huge thanks to all players, parents, sponsors and supporters for their help in making this another successful year for the Club, and also to our selfless and tireless Committee for all your invaluable efforts which ensure our Club continues to go from strength to strength.

On the field, all of our teams wore the Balla shirt with pride and competed strongly from the get-go right until the end of the season in September. Our awards summaries later in the Newsletter highlight some of the wonderful achievements of our individuals and their teams, but winners are not just defined by awards and medals. Everyone, young and old, that pulled on their boots and ran out with their team week-in, week-out to represent the Club and enjoy our beautiful game with their teammates are winners in our eyes. We hope you all enjoyed the season, learnt something new, and helped some of those around you, and are looking forward to 'going again' in 2027.

In terms of our Senior set-up, we are so pleased and excited to welcome Ein Eric to the Club who will lead our 1st Team in the new season. Together with Albert Ferraloro who takes charge of our Reserves team, we are very much looking forward to what we can achieve in 2027 (a little more about Ein and Albert is included in the next section). Trials for our 1st and Reserves' Teams will also now be happening over the coming couple of weeks, with EOIs welcome from any interested players via email to **registrar@ballajuraafc.com**.

Noting this significant announcement, it would be remiss of me to not thank our 2026 senior coaches, Shane Fitzpatrick, Stewart Alexander and Ben Hasler for their stellar efforts throughout the season. Some tough times were navigated, and some memorable results were also enjoyed, and we now get to move forward to 'go again' in the Sunday Premier Division because of your and the Teams' efforts this year. Your contributions are so very appreciated, and we look forward to still seeing you around the Club over the coming year and beyond, whether as spectators, volunteers in some other capacity, or just as part of our Balla family.

Congratulations to all of our other senior teams as well, with some solid showings and clear improvements evident across all teams. A special shout-out to Nick Reid & Jamie Connor and their team of champions for taking out the title in the Metro Div 1 competition! Bring on the Premiership Division in 2027 and let's show them what our community Club is capable of again in the new season.

Thanks must also go to all of our other coaches, especially those parents and individuals who stepped-up to coach one of our Miniroos or Junior teams. Junior football is the realm of the volunteer in Australia (and many other countries too), and without your contributions, we couldn't keep progressing and have achieved everything we have as a Club to date. Huge thanks also to all of our wonderful kids who love playing the game and representing Balla. It's always a joy to see our fields busy and buzzing on a Sunday morning with games being played in all corners, and we very much look forward to welcoming as many of you as possible back for more fun and development in the New Year.

A quick note also about our **Miniroos & Junior Trials,** which will be held at the back-end of November (further details included below), with EOIs required if your child wants to attend.

In terms of our social calendar, our range of events across the season were again a big hit and helped raise valuable funds for the Club. From the Clubhouse humming during the initial Friday Night Series games, onto our Tomás Divilly Mental Health Awareness Round, Annual Quiz Night (with my own team going back-to-back winners I might add 😊), our Fundraising Cake Stall and Sponsors, Coaches & Life Members Appreciation Day, just to name a few, there was plenty going on to keep our community engaged and enjoying the season as always. The social calendar obviously culminated with our recent Junior Trophy Day and Senior Presentation Night, with some more details about each of those great events also to follow. Thanks so much to everyone for supporting these events, and we hope to get some photos uploaded to our website Gallery Page over the coming month or so to highlight the colour and comradery that always goes with these annual highlight occasions.

A big shout-out and formal welcome too to several new Club Sponsors that have come on-board over recent months. As a not-for-profit organisation, and one which is a community-focused Club at heart, our sponsors are ever so valued and really do help in allowing us to continue to grow and provide the best experience we can for our Junior and Senior players. In this connection, **Auto Masters, E Spark Electrical, B&S Concrete, Permacoat, and HT Bakehouse** are the businesses that we are welcoming and thanking for their generous support, and I would encourage you all to seek them out for their services and share their names whenever you can. Further details about these, and several other valued supporters, are also provided further on in the Newsletter.

Finally, I hope to see some of you at our upcoming Club AGM, which is set down for 29 November (1:00 pm at our Clubhouse). A lot goes on behind the scenes to keep the Club humming and moving forward, and our AGM

provides a good snapshot of the successes and challenges faced throughout the season, and also our plans for what is to come in the New Year. This year we will also formally acknowledge 3 new **Life Members of the Club**, with this being the highest honour we can bestow on a member, and one that reflects many years of involvement and hard work for the benefit of the Club and its players. Congratulations to **Shane Fitzpatrick, Arthur Harrison and Albert Ferraloro** on receiving this award – 3 wonderful individuals and each being someone I am pleased to regard as a genuine friend and now a lifelong member of this great Club.

Thank you again everyone, for your support of Ballajura AFC, and especially to my fellow Committee Members for all of your help over the season. Enjoy those weekend sleep-ins if you can for a while, and I look forward to sharing a chat and a drink with many of you as we catch our breath and ready ourselves to do it all again in 2027.

**GO BALLA!**

Cheers,
Jason Earley (President)

## Prems Coaching Announcement

As many of you will have noted from our recent social media posts, the Club is very excited and really pleased to welcome **Ein Eric** as our new 1st Team Head Coach, and also thanks our VP **Albert Ferraloro** for stepping into the role of Reserves Coach. Together they will lead our senior squads for the upcoming 2027 season.

Below are some snippets from our recent announcements that highlight a bit about each coach and what their drivers and goals are for next season.

**Ein Eric: 1st Team Head Coach**

- Ein joins the club with over 20 years of coaching experience across Western Australia and Victoria. Holding a prestigious AFC/FA A Coaching Diploma, he is widely respected across local and interstate football circles as a hardworking, genuine, and selfless leader.
- His extensive background includes a six-year tenure over east working within the Victorian National Premier League (NPL) pathway, where he managed competitive youth and senior setups. Since returning to Western Australia, Ein has served as a Technical Director for a local NPL club and has been heavily involved with Football West at various levels, focusing on uncovering and developing local talent.
- His roles with Football West included Academy Phase Lead Coach for elite player pathways, Assistant Coach for the WA U16 Emerging Socceroos, and Head Coach for the State Men's Amateur Team during their recent competition tours to Malaysia.

- Ein is incredibly keen to support the club's long-term vision, and is looking forward to reshaping and stamping his own coaching style on our senior teams.

**Albert Ferraloro: Reserves Head Coach**

- Ein will be ably supported by Albert Ferraloro, who steps into the Reserves coaching role after years of guiding and developing many of Ballajura's talented young players through our junior system.
- Albert holds an AFC/FA C Coaching Diploma and has been a cornerstone of the club for over 10 years. Having helped reshape the club's junior setup over recent years, he knows our emerging young players intimately.
- Albert is looking forward to bridging the gap between youth and senior football, helping seamlessly transition our keenest young prospects into the Reserves and the broader senior squad.

Getting Ein on-board at Balla is a real coup for the Club and demonstrates a real statement of intent in terms of next season and our push for the state league. Ein has already started working behind the scenes to bolster our squad for 2027, and is very confident that he can take our boys to another level. Together with Albert, these are wonderful appointments for the Club and we all look forward to seeing what 2027 holds as we break new ground together with these gents leading the charge!

## New Sponsors

With some sponsorship arrangements and commitments now having concluded, numerous other greatly welcomed sponsors have jumped on-board over the recent months to support our Club, and we wanted to take the opportunity to formally thank and welcome each of these major sponsors to the Balla family.

**Auto Masters Malaga** – thanks to Mark Pappas and his team for coming on-board this year and sponsoring our new blue change strips for all of our Miniroo age groups! The new strips look fantastic – the Auto Masters logo really pops off the shirt too – and our kids look great in them! If you haven't seen it yet, check out the very cool video that Auto Masters Malaga posted to its **Facebook page** showcasing some of our Miniroos wearing the new kits and ripping some cool skills, with some of the Auto Masters boys also showing they aren't too bad either with the round ball at their feet. Mark has also very kindly offered all Ballajura AFC members and families a 10% discount on any service and repairs booked at Auto Masters Malaga - just be sure to mention our Club when making a booking.

**E Spark Electrical** – thanks to Club stalwart Mark Mule, one of our championship winning Metro1 stars, for bringing E Spark Electrical on-board as a major sponsor this year. E Spark Electrical can look after all types of electrical services and air-con installs, and are a proven and reputable service provider. If you're in need of a reliable sparky you can trust, **Mark** is your man. Good bloke, great service, based right here in Ballajura, and now a wonderful Club sponsor too.

**Permacoat** – in the very same vein, another of our Metro1 stars, Dale Everett, has also confirmed his company, Permacoat Roof Restoration, as a major sponsor over the last few months. Permacoat have over 50 years' experience with roof restorations, and as well as being significantly cheaper than a re-roof, a roof restoration will dramatically improve the aesthetics of your roof, and also help protect against leaks and other water ingress issues. So if you're considering sprucing up your homes' roof, Dale is the man to contact for a free roof inspection or quote.

**B&S Concrete** – thanks to Johnny Craster at B&S Concrete Cutting Services for also jumping on-board in recent times as a major Club sponsor. B&S Concrete provide specialised concrete cutting, coring, and sawing services right across the Perth metro area and surrounds. With over 20 years of industry experience from a wide range of commercial, civil, industrial, and residential projects, these guys know what they are doing when it comes to concrete cutting, drilling, grinding or polishing. Get in touch with Johnny to discuss your project or to receive a free quote.

**HT Bakehouse** – thanks to Club stalwart Johnny Cao and his business, HT Bakehouse, for everything they do for the Club and for being one of our major sponsors throughout the season and beyond. Many of us will have savoured Johnny's yummy food, whether it's his fried chicken, donuts, rolls, pasta, rice, noodles or whatever, and we can all vouch that it hits the spot. Johnny and HT Bakehouse really do go above and beyond in looking after our players with food after matches and training, and we are ever so grateful to have them on-board as part of the Balla family. Check them out on their **Facebook page** or drop in to their Wangara shop to score some of their famous pies, sausage rolls and donuts.

Throughout the year, we have also had numerous other generous sponsors step-up to support our players, particularly our young kids, whether that be with vouchers, discounted offerings or other notable items. We greatly appreciate their support of our Club, as these small but important connections allow us to make the 'Balla experience' all that more enjoyable for our keen youngsters, and we'd encourage you to please support these wonderful businesses whenever you can.

**NuStyleFM** – we greatly appreciate the sponsored tracksuit tops provided for our 16sJDL team

**Pasta Hub Alexander Heights** – thank you for the multiple online free pasta offers, and for providing 20% off online orders for Ballajura AFC members

**Gerry's Deli & Pizzeria** – thank you for the stack of free pizza and mini golf Player of the Day awards for our Miniroos & Junior teams

**Grill'd Kingsway** – thank you for the free burger Player of the Day vouchers for our Junior teams and for looking after our teams when they came in for their team burger sessions

Lastly, a final thank you must go to our outgoing major sponsors for their greatly valued support of our Club over previous years. We sincerely appreciate your involvement with the Club in the various guises your support was provided, and will of course continue to spruik your businesses however and whenever we can.

# Junior Trophy Presentation 2026

Our wonderful Miniroos and Junior players, and their families and friends, turned out en-mass on 11 October on what proved to be a great day for our Junior & Miniroos Trophy Presentation at our Clubhouse.

We always love seeing the kids enjoying this last official catch-up with their teams, with some having a kick on the small sided pitches, the smaller ones playing on the bouncy castle, and others just catching-up and 'vibing' with their teammates.

Huge thanks as always to all of our wonderful volunteers who helped bring this event together for the benefit of our young players and their families. They say that 'many hands makes light work', and with 24 teams to acknowledge and over 350 trophies/medals to hand-out (not to mention accompanying hots dogs and drinks and photos), this was never more evident than it was on this day Thank you, everyone!.
